REQUEST FOR REFUND

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir/Madam:

The Applicant hereby requests a refund in the amount of $200.00, which was charged on 21 June 2007 to Deposit Account No. 500777 as shown on the attached Deposit Account Statement (Exhibit A) obtained from the USPTO website on 03 August 2007. The fee associated with the $200.00 in question is not necessary, as discussed below.

REMARKS:

According to information obtained from the Deposit Account Branch of the U.S. Patent and Trademark Office, the $200.00 in question was charged as a fee for an excess of independent claims in a Response to Office Action that was filed on 18 June 2007.

The Response to Office Action, filed on 18 June 2007, contained 4 independent claims, as originally filed, and as indicated on the attached Patent Application Fee Determination Record of 22 February 2000 (Exhibit B). However, an attached Patent Application Fee Determination Record of 21 November 2005 (Exhibit C) incorrectly lists the independent claims remaining after amendment, as two; and incorrectly lists the highest number of previously paid for independent claims, as three. Therefore, the attached Patent Application Fee Determination Record of 18 June 2007 (Exhibit D), relying on the incorrect Patent Application Fee Determination Record of 21 November 2005 (Exhibit C), incorrectly lists the highest number of previously paid for independent claims as three, instead of four, as indicated on the correct Patent Application Fee Determination Record of 22 February 2000 (Exhibit B).

Accordingly, no fee for an extra independent claim should be necessary.

CONCLUSION:

Therefore, the Applicant hereby requests a refund in the amount of $200.00 be credited to Deposit Account No. **500777**. No fees are deemed to be necessary for the filing of this Request; however, the undersigned hereby authorizes the Commissioner to charge any fees that may be required, or credit any overpayments, to **Deposit Account No. 500777**.

Please link this application to Customer No. 53184 so that its status may be checked via the PAIR System.

Respectfully submitted,

3 August 2007   /Steven J. Laureanti/signed
